COMMENTS
The classic Pilsener Hop. Great Aroma hop with spicy fruity notes. Great in all European and Int. Pilseners.
Aroma hop with very little hop 'bite'. Great when added dry into the brew.
General Purpose Hop. Moderate bittering properties. Clean and spicy aroma.
Excellent flavour hop. Spicy, floral and citrus aroma.
Good flavour. Very distinctive pleasant but 'hoppy' aroma. Very effective when used late in fermentation.
Aroma hop with pleasant flavour qualities. Pleasant mild aroma with spicy finish.
Aroma Hop similar in character to Fuggles.
General purpose hop. Good bittering properties. Spicy Aroma.
Bittering hop used in many European commercial beers. Pleasant aroma.
Good general purpose hop. Interesting aroma used in most if not all Australian commercial beers. Can be used with any type of beer.
All purpose hop with excellent bittering qualities. European style aroma. Clean crisp flavour with some nice resinous character.
Bittering hop with pleasant aroma qualities.
Good all purpose hop. Pine like aroma with hints of citrus.
